

## ***Information Sessions on IEPs\*, IPRCs\* Presented by Lamar Mason***

An IPRC\* document that accurately identifies your child's strengths and needs is an invaluable aid in determining the measures required for your child's education.

Your child's IEP\* should build upon those strengths and needs in a SMART way.  
SMART: (Specific, Measurable, Attainable, Realistic, Timely)

If your child needs Special Education help *come out to these free sessions*
