Your voice matters...

What does a welcoming math
classroom look like, feel like,
sound like?

Your voice matters...

What is your best thinking on ways to
increase students' perceptions regarding
those who:
like math

Your voice matters...

What is your best thinking on ways to
increase students' perceptions regarding
those who:

think they are good at math

Your voice matters...

What is your best thinking on ways to
increase students' perceptions regarding
those who:

**think they can answer difficult
questions**
